2011 Annual Computer Recycling Report for Westinghouse Digital, LLC

Pursuant to Virginia' Computer Recovery and Recycling Act and Section 10.1-1425.30 of the Code of Virginia, Westinghouse Digital, LLC has prepared this 2011 Computer Recycling Report to be posted on the Westinghouse Digital website (<http://www.westinghousedigital.com/recycling.aspx>). During the effective period of the law (January 1 – December 31 2011), no Virginia consumers took advantage of the Westinghouse recycling program. Westinghouse received no requests for the collection of products at end of life from consumers in the State of Virginia. Therefore, zero pounds are being reported as recycled/reused from Virginia consumers.

Any consumer wishing to recycle their Westinghouse computer product may do so by following the instructions on the [Westinghouse recycling page](#). Westinghouse is committed to collecting, recycling, and reusing computer equipment in an environmentally sustainable manner. Westinghouse products are recycled or reused in compliance with federal, state, and local laws.

Any questions regarding this report should be directed to:
